Formula 108 Total Formulas

Card Name	Type	Subtype (association)	#/Stack	Action	Card Text Flavor	Coin	Flavor Name	Ingredients						
								E	A	F	W	Any	Metal	Essence
Gold	Material	Metal	6		"By fires of sooty coal th' empiric Alchymist holds it possible to turn Metals of drossest ore to perfect gold."	19	Aurum			1			1	1
Lead	Material	Metal (E)	10		"This, basest of metals, can be successfully Transmuted into Gold, if one knows the Formula..."	4	Plumbum	1						
Silver	Material	Metal (A)	10		"Silver cures mange, prevents gangrene, and in penny form hires you a carriage home..."	4	Argentum	1	1					
Iron	Material	Metal (F)	10		"Cold Iron repels threats both human and Fey."	4	Ferrum	1		1				
Mercury	Material	Metal (W)	10		"Quicksilver, associated with the planet 'Mercury', readily extracts Gold from its Ore..."	4	Hydrargyrum	1			1			
Lodestone	Material	Essence (E)	4		"The bone of Plutarch's god, the needle that guides."	9	Magnes Lithos	1				1	1	
Dragon Blood	Material	Essence (W)	4		"Influence by the planet Mars, it increases strength of Heart and the potency of ritual magik."	9	Sanguis Draco				1	1	1	
Phlogiston	Material	Essence (F)	4		"Where we once thought Phlogiston was an Element itself, we now know it to be an essence that can be applied to all."	9	Phlogiston			1		1	1	
Ether	Material	Essence (A)	4		"Air, Earth, Fire and Water describe the physical world. Ether, the fifth Element, describes the rest."	9	Aether		1			1	1	

Card Name	Type	Animus (association)	Acts On	#/Stack	Action	Card Text Flavor	Flavor Name	Ingredients							
								E	A	F	W	C	Metal	Essence	
Convert	Power	Change (W)	Element	4	Discard as many (Elements) from your Lab as you choose. Then draw that many cards plus one from the Element Stack.	"Some argue the Elements are not the most basic of substances, as they can be changed into each other..."	Convorto				1				
Distill	Power	Change (W)	Hand	4	Set aside any number of cards from your hand. Draw that number of cards from your Formula Stack and place them in your hand. Shuffle the cards set aside into your Formula Stack.	"Alternately evaporating and condensing a solution increases its potency."	Distilla				1	1			
Rotate	Power	Change (W)	Hand	2	All players place their hand at the bottom of their Formula Stack and draw a new hand of five cards OR, if (Mercury) was discarded as an Ingredient, all players pass their hands to their left instead.	"...then sometimes a gust would come and remix the grain with the chaff..."	Revoluti				1			1	
Transpose	Power	Change (W)	Material	1	Exchange any one Material in your Lab for any Material card in the Discard Pile. If (Dragon Blood) was discarded as an Ingredient, draw a card from your Formula Stack.	"It is not theft if you leave something in return."	Permuto		1		1				1
Roast	Power	Destroy (F)	Element	4	Choose and discard one (Element) from every Lab except yours.	"As Water can be boiled, Earth can be Roasted."	Confrixo			1					
Fulminate	Power	Destroy (F)	Base Metal	4	Choose any one (Base Metal) in play and discard it.	"This quite-spectacular destruction of metal has lent its name to many another explosive event."	Fulminante			1		1			
Burn	Power	Destroy (F)	Essence	2	Choose any one (Essence) in play and discard it. IF (Iron) was discarded as an Ingredient, choose two (Element) in play and discard them as well.	"Whether all or only part of something burns, the result is still a mess."	Incendus		1	1		1	1		
Aqua Regia	Power	Destroy (F)	Material	1	Choose and discard one Material card from every Lab. IF (Phlogiston) was discarded as an Ingredient, all players choose and discard one card from their hand as well.	"There are obvious difficulties with a liquid that dissolves everything..."	Aqua Regia			1				0	1
Rarefy	Power	Steal (A)	Element	4	Choose and take one Element card in play from each other Lab and place them in your Lab.	"Nothing is rarer than that which you do not have..."	Rareficio		1						
Sublimate	Power	Steal (A)	Base Metal	2	Choose one (Base Metal) in play and place it in your Lab. If (Silver) was discarded as an Ingredient, take any one (Element) in play and place it in your Lab as well.	"...material passes from solid to gas to solid again, invisibly moving from place to place."	Sublimatio		1					1	
Ablate	Power	Steal (A)	Hand	4	Choose one card at random from another player's hand and place it in your hand.	"Ablation is the last defense against destruction, sacrificing one's outer layer to protect the core."	Aufferre		1			1			

Card Name Type Animus Acts On #/Stack Card Text Ingredients

		(association)		Action	Flavor	Flavor Name	E	A	F	W	C	Metal	Essence
Evaporate	Power	Steal (A)	Essence	1	Choose one (Essence) in play and place it in your Lab. IF (Ether) was discarded as an Ingredient, take the top card from any Formula Stack and place it in your hand as well.	"Leave anything out long enough and it will disappear."	Evaporo		1			1	1
Precipitate	Power	Recover (E)	Element	4	For every two (Elements) you choose and discard from your Lab, choose one (Element) card from the Discard Pile and place it in your Lab.	"Add a seed and the desired product will settle to the bottom of the vessel."	Praecipitare	1					
Regrow	Power	Recover (E)	Hand	1	Choose one card from the Formula Discard Pile and place it in your Lab. IF (Lodestone) was used as an Ingredient, draw a card from your Formula Stack as well.	"If not stripped bare, Nature will revive, regrowing from seeds left behind."	Vivicabit	1	1			1	1
Leach	Power	Recover (E)	Base Metal	4	Choose one (Base Metal) from the Formula Discard Pile and place it in your Lab.	"Percolating water can leach metals from tailings and soil..."	Demanare	1			1		
Rebirth	Power	Recover (E)	Essence	2	Choose one (Essence) from the Discard Pile and place it in your Lab. IF (Lead) was used as an Ingredient, put the top card of the Formula Discard Pile in your hand as well.	"...he wrung one more dram from the cloth and thus the kingdom saved."	Renasci	1				1	
Philosopher's Stone	Power	Key (W)	Gold	2	When you next empty your Alembic, Choose a (Lead) card in your Lab and place this card on top of it - this combination is considered to be Gold in all ways.	"Sought by all, for it creates wealth at a touch..."	Philosophorum		1		1	1	1
